WHAT DOES IT MEAN TO BE A PEOPLE OF VISION? REV GREG CHUTE

This is the question posed for September by the UUA Soul Matters group. Let's explore this is a together.

a note from our president

The board met this month to get our areas of responsibility situated and discussed the lingering annual meeting questions. We have scheduled another congregational meeting for Sunday October 14 after church to provide updates and have the votes for our two missing board members. We do have a full board, in the last meeting in June Cindy Hesseltine was appointed Member at Large and Wayne Kling was appointed Secretary. Also for October 14th, I have signed up for hospitality and plan to offer a meal, not just snacks. If anyone wants to help prepare and design a menu, it might be fish sticks, but there will be a chance to eat lunch at church before our meeting. Hope everyone has had a wonderful summer! Look forward to seeing everyone back this fall.

Peace-

To celebrate, we hope to have a dinner or luncheon, a special Sunday service, and more this upcoming spring! If you are interested in brainstorming and assisting with the planning process, please contact Judy Kling (jkl Kling50@gmail.com). She hopes to have a first meeting in September.

mindfulness

The UUUCD Mindfulness practice group (sanga) is alive and well. We are in the process of registering as an official sanga with the Mindfulness Bell. More to follow on that next month. During the month of September we will meet at CBS in the main sanctuary on the 2nd and 4th Wednesdays of the month. Our practice time is 7:00 to 8:00 p.m. The sessions include a variety of activities designed to bring us to the present moment. We consider the teachings of our teacher Thich Nhat Hahn as we breathe, sit, walk and listen. No experience is needed as we review the basics at each session. We also practice deep listening, guided meditation and silent meditation. Our hope is to take this practice into our daily lives bringing peace to ourselves and others.

September dates for Mindfulness are 12th and 26th.

Sarah McBride and the Fight for Transgender Equality

Triumphing Over Hate Through Understanding

Delaware native Sarah McBride is the National Press Secretary for the Human Rights Campaign. Her new book, *Tomorrow Will Be Different*, tells of how she questioned her gender identity and then came out as trans during her senior year in college. Sarah became the first openly transgender person to address a national political convention when she spoke at the Democratic National Convention in 2016.

Learn how Sarah's courageous journey for transgender rights has been successful, but also how much more work there is to do.

Featured Resource: CER Chalice Lighter Program

The Chalice Lighter program has been in place for decades in most areas of the United States as a way to fund growth in Unitarian Universalist congregations helping to establish new congregations, improve and expand structures, fund new staff and resourcing programming innovations. Clusters of congregations may also apply for funding for collaborative projects.

CHALICE LIGHTERS

Individual Chalice Lighter Subscribers pledge to contribute three times a year when the calls are issued – and those faithful contributions add up to significant funding. Since we have formed the Central East Region Chalice Lighter program beginning in the fall of 2017 replacing four individual District-based programs, we have awarded \$140,000, building on the over TWO MILLION we have awarded in the past. Details of recent grants appear in our [newsletters](#). Want to know more? [Read our FAQ](#).

To continue this worthwhile program, we need help from our congregations and members. To learn more please read the [Better Together blog post](#) on Chalice Lighters and [Subscribe today!](#)
